

CLAW COVER™

PROTECTIVE CUT GLOVE

Ultra Lightweight & Cut Resistant

A Glove Designed for Food Service and Commercial Kitchens

The C1 is a 13 gauge High-Performance Synthetic Fiber blend glove that is a great choice for “knife hand” use. ANSI level 4 cut resistance offers good protection. The unique construction of yarns employed in this product allows the gloves to be exposed to the harshest laundry cycles over and over again, with little to no effect on the gloves protection properties. Constructed according to FDA 21 CFR 177.2800, Claw Cover™ gloves are approved for contact with food in manufacturing / processing environments. 100% Made in the USA.

PRODUCT DETAILS:

FEATURES:

- Ultra Lightweight Seamless 13 Gauge Construction
- A Blend of High Performance Fibers
- Seamless Construction

BENEFITS:

- ANSI level 4 cut protection
- Controls bacteria and cross contamination
- Exceptional value cut protection in ultra light construction
- Ideal as a liner in hazardous applications
- Superb laundry characteristics
- Color coded hem identifies size

ATTRIBUTES:

- 13 Gauge / Cut Resistant
- Fingertip Sensitivity
- **Color** - Gray or White

SIZES:

- XS / S / M / L / XL

DATA SPECIFICATIONS
